What is Parents' Council?

The Purpose of Cherry Creek Parents' Council is to promote the exchange of ideas among parent representatives of all schools in the Cherry Creek School District and to serve as a vehicle of communication within the district for parents, teachers, administrators, the Board of Education and the community.

Parents' Council serves as a valuable resource to our PTO/PTCO Communities. The schools in our District are greatly enriched by the programs that are provided by your PTO/PTCO.

Thank you PTCO/PTO. Your dedication to your school and community is what makes Cherry Creek unique. We appreciate YOU!
